

## **YAMAWARDS NOMINATION AGREEMENT**

On behalf of \_\_\_\_\_, from hereon referred to as “the applicant”, I hereby nominate \_\_\_\_\_, from hereon referred to as “the production”, for the Young Audiences Music Awards (YAMawards) 2026. In the case that this production should win, the applicant agrees that all prizes shall be awarded directly to the production to support the creation of new works for young audiences.

I, \_\_\_\_\_, representing the production, hereby accept the nomination for the YAMawards 2026. The production grants Jeunesses Musicales International (JMI) and its partners the right to use all submitted content in relation to the promotion of the YAMawards 2026 competition and all future YAMawards/JMI editions, except for the archive films (they can be viewed but not published or used in any public-facing capacity). We, the production and the applicant, give permission for the short films (trailers) submitted to be published on the YAMawards/JMI website, YAMawards sponsors and partners’ websites, newsletters or other material in recognition of our achievement or involvement in this competition.

We, the production and the applicant, waive any rights claims against JMI and their respective licenses arising out of my participation in the competition and any subsequent use of the production within the purposes identified in this form, and the record of our participation shall be owned by JMI.
